Utilized This Week.

A SKETCH OF THE NICE EDIFICE

That Cost Its Generous Donor in the Neighborhood of \$100,000.

ALL READY ON THE INDICATOR PLAN

The handsome new Carnegie Free Library. in Braddock, of which an excellent sketch is published herewith, will be opened to the public as soon as the "tabbing" is doneprobably this week. There will be no special service of dedication. The citizens of Braddock have much to be grateful for in this gift from Mr. Carnegie, as in this elegant building they can, without cost, obtain works that will enlighten them on almost any subject. The first installment of books, about 1,200 polumes, arrived January 15, and and the remainder have since come to hand. All the best illustrated papers on the Continent, such as Puck, Judge, Life and the Graphic, will be kept on file for the lovers of this kind of literature. Harper's, and in fact all the best edited magazines in this country and Europe have been subscribed for. The management has secured printed | They Do Not Want the Rallroad Grade regulations, and everything in connection with the library will be carried out system-

It will be open to all residents of Braddock, and to every workman at the Edgar to become a member will only be required to make application to any of the officers. VERY LITTLE RED TAPE.

He wifl then be furnished with an admisto become a member in good standing will be to present the same to the librarian, when

Fuel on a Zero Day. If not in sackcloth and ashes, Coraopolis was again wrapped in smoke yesterday. The Australian system of voting gave results on Tuesday which were generally satisfactory, and people had almost forgotten any slight rasping of temper occasioned, and had settled down into the ordinary grooves

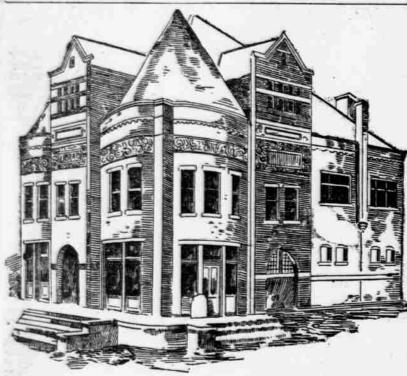

There was great hustling to get coal and put grates and stoves in shape to burn it. Fortunately most of the people had a small supply on hand, sufficient to tide them over yesterday; but there was unusual economy exhibited, and, for the first time in its ex istence, the village discovered the hardship

the raging river and the main was raised, and it was thought the gas would be turned on again last evening.

GRAIN MEN'S PROTEST.

The Pittsburg Grain and Flour Exchange, at its meeting yesterday, adoped resolutions protesting against the bill now pending in the Legislature to regulate grade crossings Thomson Steel Works, no matter what his by railroads. The resolutions are to the station in life may be. Any person desiring effect that the granting of a franchise to local authorities.

side tracks to the different places of lading which would be affected by the bill. If the sion tieket, then all that remains to be done railroad companies had to build tracks overhead it would have a tendency to drive

the applicant will be supplied with a card McCague, of the Exchange, will go to Har of membership. The directors have decided risburg to-morrow to advocate the passage to adopt the "Indicator System," and they of the bill in relation to giving railroads the now have one in course of construction at | right of eminent domain. the steel works. It took some time to finish it, as there are 5,000 small blocks of wood in

lighting the interior has been adopted. It has been decided that the library shall be open for admission from 10 o'clock in the

The library building stands out promi-nently on Burton street, one of the prettiest and most centrally located thoroughtares in the borough; is within a stone's throwof the Pennsylvania Railroad depot, and not over

the idea of furnishing the workingmen of his big mill with such a place for the education of the mind. He purchased a plot of ground with 150 feet front on Burton street, extending back along Parker avenue 190 feet (from the Parker heirs), the sum paid, it is said, being \$5,000. He then donated \$50,000 for the completion of a building.

ONLY ABOUT ONE-HALF of what the building really cost, however. The structure is of solid rough-faced stone

Carnegie, and immediately under it is carved extending entirely across the front is a

much the same as the front, excepting that there is only one entrance. The roof is of iron throughout; also the rafters and beams. The beams and girders were all turned out Carnegie's Homestead mill, and are very The office of the store is in the center, im-

A CHARMING READING ROOM, At the right of the staircase, fronting or Burton street, is the reading room, large enough to accommodate several dozen read-ers comfortably. Next comes the office of the librarian, immediately over the main entrance, and the entire Parker street front

is the library proper, with innumerable almmense bookenses.
The library room is 86 feet long by 30 feet wide, and contains cases for over 5,000 volumes. To the left of the library and back of the reading room is the lecture hall, one of the principal features of the building. It is formished with a good stage, is fitted out handsomely and has a gallery. Its seating capacity is about 300. The building is heated by steam, and these facilities are

There are ten registers on the

The entire building is finished in carved hard wood, and is considered one of the neatest and prettiest structures in Western Pennsylvania. The architect who prepared the plans, was Mr. James T. Steen. The officers of the library are: President, James Gailey; Vice President, W. J. Vance; Secretary, John A. Lapsley; Treasurer, W. R. Balsinger; Directors, Thomas McDonald, W. A. McDevitt, W. R. Edwards, W. M.

Red Letter Clearing Sale

No doubt thousands of you remember-and with pleasure and satisfaction-our great and wonderful Red Letter Clearing Sale of a year ago to-day and you will of course remember what a grand and phenomenal sale it was. Well, this sale is one that will outdo our previous efforts and attract the attention of every economical and cautious buyer in the city. And, for why?

WE'RE BOUND TO CLEAR OUR STORE

of the major portion of our goods. Don't you know that our spring goods are pouring in rapidly, case after case being hourly dumped at our delivery doors, besides which we have in contemplation alterations in various parts of our store, and before the carpenters, painters, calciminers and other workers take possession of the portions we intend altering we have heaps of goods to dispose of.

Be it a Suit, an Overcoat, a Pair of Pants, any kind of Furnishnishing Goods or Footwear You May Want,

you cannot lay your hands on an article or garment but what is a bargain. You can positively buy goods for less money than other dealers in this city paid for them. Comparisons are absolutely impossible. The frantic attempts of the little fellows to duplicate our bargains cause us and our thousands of patrons no end of amusement. It would be just as easy to dam up the Ohio river with a sugar loaf.

The Goods We Offer and the Bargains We Give Are Nourishing to Domestic Economy, and Will Put Two-Fold

.: Sunshine in Many a Home. .: Now's the time to buy either for present or future want, so don't hesitate, but come right in and choose what you like. If you only come to look you're as welcome as though you came to buy. Don't confound this Bona Fide sale with the bogus ones just now so freely advertised all over the town. You know us of old, and are fully aware that we value our business name too highly to lend ourselves to any "fake" business.

while the original figures remain in black. Remember, In Every Department We've Made Great Reductions.

When you come you'll find our reduced prices marked plainly in red,

SKY'S GRAND BARGAIN STORE, 300 to 400 Market street.

TO LET-BUSINESS STAND; BEST LOCA-TION in the city; accessible by all car lines, apply to 619 SMITHFIELD ST. fe24-31 TO LET-BRICK STORE AND DWELLING, Main street, Mansfield; splendid opening for drygoods or tin store, as both are needed; gas; immediate possession.
